- Jennings Technology**
- Vacuum variable capacitors
 - Vacuum relays & contactors
 - Vacuum coaxial relays

<http://www.svindustries.com>

- S&V Industries**
- Low & medium voltage products-CU, OFC Cu, Al, Brass & Bronze
 - Brazing, welding, & fabrication
 - Stamping, casting, CNC, & VMC machining
 - Flexible & rigid bus bar fabrication
 - Insulators & dielectrics
 - Switchgear sub-assemblies, contacts & components
 - Non-ferrous casting, hot & cold forging, fine blanking stamping
 - Ceramics-molded, millable, engineered-Alumina, Zirconia
 - Steel & iron castings, gears, & gear boxes
 - Transformer products-Switchgear, drives, energy-line filters, phase shift, load reactors
 - Battery components-accessories, welded/overmolded cable connectors, copper connectors & bridges
 - Rubber-bushings, isolation mounts, customs
